Please note that it is NOT possible for exchange students to travel to New Zealand on a visitor's visa and apply for a student permit upon arrival in New Zealand, even if you are a citizen of a country with which New Zealand has a visa waiver agreement. It is imperative that all exchange students get their student visa BEFORE travelling to New Zealand, as you may be refused a student permit if you apply from within New Zealand.</p> <p>Students are advised to apply for the necessary visa immediately after they received the official offer letter/email from their host university. This is to ensure that you can obtain your visa in time before the start of your exchange term. Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>For more information on visa applications, please refer to https://www.immigration.govt.nz/new-zealand-visas/options/study</p>
