For an enrollment at TUD, all exchange students are required to purchase a German statutory health insurance to avoid complication in case of injuries or sickness. German statutory health insurance offers 100 % coverage for doctor-visits, basic dental repair and hospital treatment. The cost is currently approx. €90 per month for students under the age of 30.

The validity of the insurance starts always from beginning of a semester, namely, from October 1st in winter semester, or April 1st in summer semester.
